Handwritten musical notation on a five-line staff. The notation consists of a series of rhythmic patterns and notes, including stems, beams, and various note heads. The writing is fluid and characteristic of a personal sketch or a composer's draft. The notes are primarily eighth and sixteenth notes, often beamed together. There are also some longer, horizontal strokes that could represent rests or specific rhythmic values. The overall impression is that of a musical idea being explored on paper.

Handwritten musical notation on ten staves. The notation consists of rhythmic patterns and symbols, including vertical stems, beams, and various note heads, written in a cursive style. The symbols are not standard musical notes but appear to be a shorthand or a specific notation system. The patterns vary in complexity and density across the staves.

Handwritten musical notation on a five-line staff. The notation includes various rhythmic values such as eighth and sixteenth notes, rests, and beams connecting notes. The handwriting is fluid and characteristic of a personal manuscript.

Handwritten musical notation on a five-line staff, continuing from the previous section. It features similar rhythmic patterns and note values, with some notes beamed together. The ink is dark and the lines are clearly visible.

sum;  $\int_{\mathbb{R}^n} f(x) dx = \int_{\mathbb{R}^n} f(x) dx$   
 $\int_{\mathbb{R}^n} f(x) dx = \int_{\mathbb{R}^n} f(x) dx$

Let  $f: \mathbb{R}^n \rightarrow \mathbb{R}$  be a function  
and let  $S \subset \mathbb{R}^n$  be a set.  
Then the integral of  $f$  over  $S$  is  
defined as  
$$\int_S f(x) dx = \int_{\mathbb{R}^n} f(x) \chi_S(x) dx$$
  
where  $\chi_S$  is the characteristic function  
of  $S$ .  
If  $S$  is a region in  $\mathbb{R}^n$ ,  
then the volume of  $S$  is  
given by  
$$\text{Vol}(S) = \int_S 1 dx$$

Handwritten text in a cursive script, possibly a form of shorthand or a specific dialect. The text is arranged in approximately 12 horizontal lines. The characters are highly stylized and interconnected, with many loops and flourishes. The lines are written on a set of horizontal guidelines. The overall appearance is that of a personal or professional note, possibly a list or a series of instructions.

Handwritten musical notation on a five-line staff. The notation consists of various rhythmic symbols, including stems, beams, and note heads, written in a cursive style. The symbols are arranged in several lines, with some appearing to be part of a larger sequence or exercise. The notation is dense and fills most of the page.

 but so far away  
 you are not here,

 in my heart.

I am not here

Suppose we have a set of  
functions,  $w_1, w_2, \dots, w_n$ ,  
each of which is a linear  
combination of the  $n$  basis  
functions,  $\phi_1, \phi_2, \dots, \phi_n$ .  
Let us write  $w_1 = a_{11}\phi_1 + a_{12}\phi_2 + \dots + a_{1n}\phi_n$ ,  
 $w_2 = a_{21}\phi_1 + a_{22}\phi_2 + \dots + a_{2n}\phi_n$ ,  
 $\dots$   
 $w_n = a_{n1}\phi_1 + a_{n2}\phi_2 + \dots + a_{nn}\phi_n$ .  
If we write these equations in matrix  
form, we have  $W = A\Phi$ , where  
 $W = (w_1, w_2, \dots, w_n)$ ,  
 $A = (a_{ij})$ , and  $\Phi = (\phi_1, \phi_2, \dots, \phi_n)$ .

Handwritten cursive script on lined paper, consisting of approximately 12 lines of text. The writing is fluid and characteristic of 19th-century penmanship. The text is mostly illegible due to the cursive style and some fading, but appears to be a continuous paragraph or list of entries. The lines are written on a set of three horizontal lines (top, middle, bottom).

Handwritten cursive script on lined paper, consisting of approximately 12 lines of text. The writing is fluid and characteristic of 19th-century cursive. The text is mostly illegible due to the cursive style and some fading, but appears to be a continuous paragraph or letter. The lines are written on a set of three horizontal lines (top, middle, bottom).

Handwritten cursive script on a four-line grid. The text is written in a fluid, connected style. The first line begins with a large, stylized initial letter, possibly 'A' or 'B', followed by several characters. The second line continues the text with a similar flow. The third line shows a distinct change in the script, with more pronounced loops and curves. The fourth line features a series of connected, somewhat repetitive-looking characters. The fifth line shows a return to a more standard cursive style. The sixth line continues with similar characters. The seventh line shows a mix of different cursive forms. The eighth line features a series of connected, somewhat repetitive-looking characters. The ninth line shows a return to a more standard cursive style. The tenth line continues with similar characters.
