zusammenpackt. Und jejen Morgen is sie denn noch mal wechjejangen; und wie meine Frau sie nachher weckt --- denn der Wagen sollte doch kommen ---, da jibt se keene Antwort. Na, hab ich jesacht, denn lasse se man noch schlafen. Und nach 'ner halben Stunde is meine Frau wieder hinjej= angen und hat an de Tür jekloppt. Und wie se denn so jar nichts jehört hat, da hat se de Tür janz leise aufjemacht; un wie denn Fräulein Jettchen da noch nich aufjewacht is, da is se denn ans Bett jejangen --- und da hat se auf de Seite jelegen, janz zusammen=

jezogen, und auf dem Bett war een iroßer Blutfleck, so jroß wie eene Hand. Und auf der Erde vor dem Bett lag solch Ding wie so 'ne lange silberne Nadel --- janz lang und spitz: die muß se doch dazu jenommen haben ... Jott, wenn wir bloß vorher wat je= hört hätten --- wir müssen ja schon aufjewesen sein ---, aber wir haben ja jar nichts jehört; es is ja janz still jewesen. Und dabei muß es doch 'ne janze Weile vorher jeschehen sein, denn se war schon janich mehr recht warm, wie meine Frau reinie= kommen is «

e of Journey of - of Loo, - en a 2 of you case Mo y - of/, Longo.

»Sie Sind doch selbst noch jestern dajewesen, Herr Jebert, da war se janz verjnügt. Und die janze Zeit hab' ick se niemals weinen sehen. Und wenn ich nur das jeringste von so wat vermutet hätte, na, denn hätten wir ja auch auf se aufjepaßt. Wir kennen doch Fräulein Jettchen von so klein an. Und se is doch zu meine Frau jewesen, jar nich, als ob se das reiche Mädchen wäre, sondern wirklich als ob se 'ne Tochter von ihr wär.'«
