London, March 1899.

My dear Dr. Williams,
 I have just received your letter of the 12th inst.
 and am glad to hear that you are well.
 I am very much interested in the
 results of your experiments, and
 am sure that they will be of great
 value to the scientific world.
 I am, dear Dr., very truly,
 your obedient servant,
 J. H. Williams

...and though he said it was  
his duty, I am sure, he would not  
be so far from the truth, as to say  
that he had never seen me before.  
I have been in the presence of Royalty.
